

HOW TO BECOME A PRO GRAPHIC DESIGNER?

Pooja Patel
@graphics-designs-expert

1. Inspire

Find designs you like. Use platforms like Pinterest, Behance, dribbble, etc for inspiration

2. Copy.

Try to recreate the post as it is. Understand the principles of design.

3. Modify.

Fuel your creativity, Rework
the design with your ideas.

4. Practise

The more you practise, the
more you become better.

WAS THIS HELPFUL?

Be sure to save this post so you
can come back to it later!
