# What are the must seen sessions In KubeCon Chicago?

Many sessions are done  
in parallel, forcing you to  
make sections...

**Therefore we are here to  
help you by hand picking  
the top sessions about  
K8s optimization**

# 1 Kube-Costbusters: Optimizing Kubernetes Clusters for Efficiency and Epic Savings!

This session unveils the secrets of cost-driven K8s optimization, right-sizing, and identifying hidden expenses
