# Codrops

<https://tympanus.net/codrops/>

Codrops is a popular website featuring inspirational website collections, beginner tutorials and a newsletter covering the latest trends and techniques.

The screenshot shows the Codrops website homepage. At the top, there's a navigation bar with links for CODROPS, playground, tutorials, sketches, articles, collective, and css reference, along with a search icon. On the left, there's a sidebar for 'The Collective' newsletter with a sign-up form and a link to 'Past Issues'. The main content area features several article cards. One card for 'Experimental CSS-Only Carousels with Scroll-Driven Animations' by Maxwell Barvian (3 days ago) includes a thumbnail of a person. Another card for 'Making CSS View Transitions Easy with Velvette' by Noam Rosenthal (1 week ago) shows a grid of images. A third card for 'A Practical Introduction to Scroll-Driven Animations with CSS scroll() and view()' by Adam Argyle (1 week ago) also has a thumbnail of a person. To the right, there's a large image of a black t-shirt with the Codrops logo. Below it, a banner promotes a 20% discount on t-shirts with the code 'CODROPSTRIBE20'. At the bottom, there are two more cards: one for '8 Top Free & Premium WordPress Plugins for 2024' by Manoela Ilic (2 weeks ago) and another for 'Experimental On-Scroll Text Animations with SVG Clip-Path' by Manoela Ilic (2 weeks ago). A small 'ad' label is next to the first card at the bottom.

# Codesandbox

<https://codesandbox.io/>

CodeSandbox is an online IDE for building and sharing web apps with easy code sharing and collaboration, and support for React, Vue, and other frameworks.

The screenshot shows the CodeSandbox homepage with a dark background. At the top, there's a navigation bar with links for Features, Use Cases, Resources, Docs, Support, Enterprise, and Pricing. On the right side of the nav bar are Sign In and Try for free buttons. A banner at the top says "New! Introducing a Unified Development Platform Start coding with our new Devboxes and evolved Sandboxes." Below the banner, the main headline reads "Instant cloud development". A subtext below the headline states "CodeSandbox gives you 24/7 collaborative cloud development environments (CDEs) that resume in 2 seconds." At the bottom of the page, there are two buttons: "Start for free" and "Schedule a demo >". The footer features logos for several partner companies: NVIDIA, ATLASSIAN, Uber, stripe, zendesk, Adobe, and shopify.

# Snappify

<https://snappify.com/>

Snappify is a tool that helps developers to create stunning visuals for code snippets. It can also animate code snippets to create videos and presentations.

The screenshot shows the Snappify homepage. At the top, there's a navigation bar with links for Pricing, Use Cases, Product, Resources, Dashboard, Editor, and a user profile icon. The main headline reads "We enable developers to create stunning animations". Below it, a green button says "New! - Experimental Video Export". A text box states: "Take your Code Presentations to the next level with snappify's powerful animation features." A blue button below says "Get started - It's free". To the right, there's a graphic of a code editor window with some JavaScript code, surrounded by colorful geometric shapes (a red circle, a green hexagon, and an orange triangle). Below the editor is a play button icon. At the bottom left, there's a circular icon with several small user profiles, and a link to "Join a community of 24k+ developers spicing up their content". At the bottom center, it says "Trusted by industry leaders around the globe".
